Determination: 25 November 2022

CONSENT DETERMINATION OF THE AUTHORITY

[1] On 3 November 2022, the Authority issued a substantive determination in this matter. That determination contained a non-publication order, which remains in force. It also indicated that the issue of costs was reserved.

[2] The parties have resolved the issue of costs on their own terms. At their request those terms are now, by consent and by this determination, also the orders of the Authority in this matter. A record of those terms, signed by parties, is held on the Authority file.

[3] The parties agreed the terms of their resolution would remain confidential to them. I am satisfied, on the evidence before me, that such an order should be made. For that purpose, under clause 10 of the second schedule of the Employment Relations

Act 2000, and except where necessary for enforcement purposes, I prohibit publication of all or any part of those terms. The non-publication order of 3 November 2022 also applies to this consent determination.
