CONSENT DETERMINATION OF THE AUTHORITY

Employment relationship problem

[1] Alapeta Faletau's representative and the Accident Compensation Corporation have agreed that the application in the Authority has been settled by the parties before the investigation meeting. The Authority has been given terms of settlement reached to settle the matter. I accept that the terms of settlement submitted settle the employment relationship problem between the parties.

[2] The Authority has been requested to make a consent determination on the agreed terms to settle the employment relationship problem and I agree to do so accordingly.

[3] I also order by consent that the terms of settlement given to the Authority be suppressed from publication to protect the parties' agreed confidentiality in the settlement terms.
