COSTS DETERMINATION OF THE AUTHORITY

[1] On 19 January 2017 I delivered an oral determination of a personal grievance claim. I dismissed the applicant's personal grievance application.

[2] Costs were reserved with an encouragement for the parties to agree costs between themselves.

[3] The parties have advised that they have agreed costs between them and request that the agreed costs be incorporated into a consent determination of the Authority.

[4] In arriving at the agreed costs, the parties have taken into account a *Calderbank* offer made by the respondent prior to the parties commencing preparation for the Authority's investigation meeting held on 18 and 19 January 2017.

[5] I order that the applicant, Kyle Forster, pay Jason Hill the sum of \$11,000 contribution towards his legal costs. This determination is enforceable under s.137(1)(b) of the Employment Relations Act 2000.
