COSTS DETERMINATION OF THE AUTHORITY

[1] In my determination dated 3 November 2009, I found that the applicant had a personal grievance that she was unjustifiably dismissed and I awarded her remedies. I reserved the issue of costs and am now in receipt of submissions from Mr McKenzie on behalf of the applicant seeking a contribution to costs in the sum of \$2,500.

[2] The Authority is also in receipt of some correspondence between Mr McKenzie and Mereheni Meads who is the financial manager of the second respondent.

[3] Ms Meads advises that the organisation accepts that the sum of \$2,500 is an appropriate award of costs.

[4] Mr McKenzie has asked that the Authority confirm costs in a determination.

[5] I order that the first and second respondents pay to Renee Hemana the sum of \$2,500 for costs.
