Determination: 16 April 2009

CONSENT DETERMINATION OF THE AUTHORITY

Employment Relationship Problem

[1] At the end of the first day of two set aside for this investigation, and after filing numerous and extensive witness statements and an agreed bundle of

documents, the parties advised they had settled the matter on their own terms.

- [2] They asked the Authority to record their settlement as a consent determination and prohibit publication of the confidential aspects of the settlement, i.e. all aspects of the settlement other than the matter set out at paragraph 13, and seal the file. I accepted the parties' requests.
- [3] I hereby determine that the parties' settlement is incorporated into this consent determination and that other than the matter set out at paragraph 13, its details and the Authority's file are prohibited from publication: Clause 10 (2) of Schedule 2 of the Employment Relations Act 2000 applied.
- [4] The parties are to be commended for this outcome.
