### **CONSENT DETERMINATION OF THE AUTHORITY**

[1] During the investigation meeting the parties advised that they had successfully resolved all matters between themselves and requested the terms and conditions of settlement be incorporated into a consent order of the Authority. The parties have agreed to a record of settlement, a copy of which is held on the Authority file. By consent, the terms set out in the record of settlement are also the orders of the Authority in this matter. At the request of the parties I make a further order, pursuant to Clause 10 of the Second Schedule to the Act, prohibiting the publication of all the contents of the terms of settlement.
