CONSENT DETERMINATION OF THE AUTHORITY

[1] This matter was set down for an investigation meeting on 8 April 2013 at Auckland but in the lead up to the investigation meeting, the parties engaged with each other and were able to reach a settlement on their own terms.

[2] The Authority commends the parties and their counsel for concluding the matters in this sensible fashion.

[3] The Authority records that the agreement signed by both parties on 15 April 2013 is a full and final settlement of all matters between the parties and including all claims set out in the present proceeding before the Authority.

[4] The effect of that full and final settlement is that the applicant Ms Nuttall withdraws her claim against Fairview Care Limited and the Authority's proceedings are accordingly at an end.

[5] The agreement reached between the parties to conclude this matter is confidential to the parties.
