BETWEEN	LEE PERRY Applicant
AND	JON NEWTON First Respondent
AND	NEWTON ELECTRICAL (HB) LIMITED Second Respondent

Member of Authority: G J Wood

Representatives: Michael McAleer, for the Applicant
John Newton, for the Respondents

Investigation Meeting: 15 July 2010 at Napier

Determination: 15 July 2010

CONSENT COMPLIANCE ORDER OF THE AUTHORITY

[1] Pursuant to a confidential settlement achieved by way of a consent determination dated 2 March 2010, both respondents agreed to pay the applicant certain sums, on a joint and several liability basis. Unfortunately, because of difficult financial circumstances, the respondents have been unable to meet all of the payments required.

[2] The parties attended an investigation meeting today, whereby it was agreed that the respondents would be bound, on a joint and several liability basis, to pay to the applicant the net sum of \$2,470 by 31 August 2010.

[3] I therefore order Jon Newton and Newton Electrical (HB) Limited to pay to the applicant, Lee Perry, on a joint and several liability basis, the sum of \$2,470 net on or before 31 August 2010.

[4] Finally, I observe, for the benefit of the respondents, that failure to pay this money on time may lead to a compliance order being sought in the Employment Court, whereby the Court has the jurisdiction, in the absence of full payment, to fine and/or sequester the property of both respondents, as well as order the imprisonment of Mr Newton. I am confident that this matter will, however, be resolved on time.
