Determination: 28 August 2017

**DETERMINATION OF
THE EMPLOYMENT RELATIONS AUTHORITY**

[1] On 21 December 2015 the Authority issued a determination dealing with jurisdictional issues arising from the above claim.¹ The determination included a comprehensive, albeit temporary, order suppressing the publication of various details.²

[2] Since then the parties have endeavoured to resolve the remaining issues and, pending the agreement of the Authority in respect to the question of ongoing suppression, have done so. The parties ask that the earlier interim non-publication order becomes permanent.

[3] Having perused the file I consider there is good cause to grant the parties request. I therefore make a final order there be no publication *of the pleadings filed in*

the Authority, any and all documents filed with the pleadings, and the information contained within those documents.

[4] I note from the parties joint memorandum the granting of this order has the effect of discontinuing the proceedings. The file is now closed and there is no issue as to costs.
