**CONSENT DETERMINATION OF  
THE EMPLOYMENT RELATIONS AUTHORITY**

---

**Employment relationship problem**

[1]        The Employment Relations Authority conducted an investigation meeting into Mr Jason Williams' claims against his former employer, Carnegie Hospitality Limited.

[2]        At the conclusion of the evidence the Authority gave an indication of the likely outcome of its investigation meeting and invited the parties to explore whether or not a consent determination was appropriate.

[3]        As a result of that guidance, and after an adjournment, the parties advised the Authority that they had reached agreement as to how this matter is to be resolved.
